**WALLKILL VALLEY FBLA MEMBERS  
DEVELOP LOCAL FOOD PANTRY**

Members of the Wallkill Valley Regional High School chapter of Future Business Leaders of America (FBLA) have initiated a community service project in an effort to serve the community and to help build a stronger student body. The FBLA Cupboard will provide an accessible inventory of selective food items all generously donated from various organizations within the high school, Hamburg School students and personnel, and members within the community. This pantry serves as an opportunity to directly impact our district families.

A goal of the project focuses on setting up a monthly private time period for families and individuals to gain access to The FBLA Cupboard through June. The FBLA Cupboard is located in I Hall at the high school; The Cupboard will be open on April 21, May 24, and June 9 from 3:00-5:30 p.m. Questions regarding The Cupboard can be directed to [wvblacupboard@yahoo.com](mailto:wvblacupboard@yahoo.com).
